

GIS SPECIALIST – BAKERSFIELD, CA

Seneca Resources Corporation, the oil & gas exploration and production subsidiary of National Fuel Gas Company (NYSE: NFG), is currently seeking a GIS Specialist at its West division office in Bakersfield, CA.

The responsibilities of the GIS Specialist are two-fold, relating to engineering assistance and data system management. Specific duties include, but are not limited to, the following:

- Production Data Maintenance
- Well Data Maintenance for GES/DSS/ACAD
- Engineering/Drilling/Geology Support
 - Support Production Engineers and Geologic staff with query and spreadsheet data, structure maps, cross sections, bubble maps, completion maps
 - Assist Engineering/Geology with new well placement
 - Verify drilling location mapping and directional plans
 - Verify surface location plot plans
 - Assist with Aries Runs/Production Data acquisition/Spreadsheet development on Engineering specified projects
- Assist engineering with the annual budget planning and quarterly reserve review processes.
- Provide technical assistance where necessary to maintain field captured data flow, including production and injection information for engineering.

This position requires a minimum of a Bachelor's Degree and a minimum of five years experience. The ideal candidate should have up to date knowledge and experience using the latest GIS software, including ArcGIS and Geographix, and be able to recommend improvements based on recent advancements in the GIS field. Experience and proficiency using MS Office products is also required. Selected candidate should have superb interpersonal, verbal, and written communication skills, as well as excellent organization and time-management skills. The ability to function independently and proactively with minimal direct oversight and to interface effectively with various functional areas (both internal and external) is required.

Candidates responding to this ad must refer to the job title, GIS Specialist, in their correspondence. For confidential consideration, please mail your resume, cover letter and employment references by October 1, 2010 to:
