

PROPERTY ACCOUNTANT – WILLIAMSVILLE, NY

Seneca Resources Corporation, the oil & gas exploration and production subsidiary of National Fuel Gas Company (NYSE: NFG), is currently seeking an experienced Property Accountant at its East division office in Williamsville, NY.

The Property Accountant will serve as an integral member of the Accounting team with responsibilities including, but not limited to, the following:

- Ensure completeness and accuracy of capital and expenses charged to property accounts
- Understand Joint Operating Agreements and charge properties according to agreements
- Monitor the payout of wells within joint venture agreements
- Analyze and review amounts charged by Joint Venture partners
- Monitor AFE's as compared to actual expenditures
- Conduct financial and operational analysis of jointly-operated properties
- Understand and work closely with Joint Interest Billing
- Schedule joint venture audits for non-operated properties
- Act as contact for joint venture audits of Seneca

This position requires a bachelor's degree with at least five years of experience. The successful candidate must be analytical with good problem solving skills, have the ability to be flexible and work in a team environment. Strong computer skills, particularly in Excel and the ability to read and understand contracts is required. Strong written and oral communication skills, self-motivation and attention to detail are necessary. Experience with Quorum Oil & Gas software is a plus.

Candidates responding to this ad must refer to the job title, Property Accountant, in their correspondence. For confidential consideration, please mail your resume, cover letter and employment references by March 29, 2010 to:
