The following is a System Alert for the National Fuel Gas Distribution Corporation ("Distribution" or "Company") – Pennsylvania service territory effective from **10:00 a.m. EST Saturday, January 18, 2020 until further notice**. Due to anticipated cold weather conditions and the anticipated increase in demand, Distribution is requesting that all Market Pool Operators make every attempt to match deliveries to their posted Daily Delivery Quantities (DDQs). Suppliers who schedule and deliver quantities to match DDQs may help to prevent a critical situation that could require the Company to issue an OFO.

Distribution will continue to provide periodic updates to the operational status of the system as warranted.

If you have any questions, please contact the Help Desk at (716) 857-7232.
